“

SCHOLARSTORY:

Parag Soni (B.Tech. (Information Technology) (3rd year)
Kotak Shiksha Nidhi helped Parag pay his B.Tech third-year fee and
rekindled his dream to become a programmer

“After losing my father to COVID-19 in 2021, my feelings of sorrow were bone-deep. Even though he struggled during his lifetime to earn a decent living, he never let me, my younger sister, and my mother go through any kind of hardships.

When my father breathed his last, I had just entered the third year of B.Tech. at the Acropolis Institute of Technology and Research, Indore. As my younger sister was also pursuing her studies as a Class 11 student, it became difficult for my mother to arrange for our education funds. However, opportunity came my way when one of my friends informed me about ***Kotak Shiksha Nidhi***. Without any further ado, I applied for the initiative and received a generous amount of INR 88,600.

I would like to thank ***Kotak Education Foundation*** for helping me with this financial assistance. With the monetary support, I paid my third-year admission fee. I have also been able to inculcate the strength to resume working towards my dream of working as a programmer in Microsoft one day and also crack the Graduate Aptitude Test for Engineering (GATE) to pursue an M.Tech. in Information Technology.”
